

### Important Information For Smurf Jamboree

\*Gates will be opening at 1230 PM; \$3.00/adult, \$2.00/students

\*Security will be assisting with parking

\*We would like coaches and players to enter the stadium through our rear gate on the right backside of the stadium. Parents and fans will need to enter at the front gates. We will have signs and people to assist in directing.

\*There will be team signs attached to the fence around the inside of our stadium at the far end (where our scoreboard is located). This makes a general meeting area for your team... PLEASE stress it's for the teams and coaches only, parents need to refrain from going there unless absolutely necessary. That way coaches can keep their teams together in between games.

\*We will be announcing teams/coaches onto the field from 1:30-2:15, as well as going over any last minute details and the National Anthem.

\*Bracket boards will be attached to the fence on the Visitor side of our stadium and will be updated as each game ends. There will also be short programs with blank brackets in them available at the gate to purchase.

\*There will be concession stands open with food and drinks all day.

\*Schedule for weigh-ins: TEAMS WILL BE ANNOUNCED TO THE LOCKER ROOMS TO WEIGH IN

TEAMS PLAYING AT 230 WILL WEIGH IN STARTING AT 215 (4 TEAMS; 2 SCALES)

-Big Spring Gold, Chambersburg, Gettysburg, & Hamilton

TEAMS PLAYING AFTER 3 WILL WEIGH IN STARTING AT 230 (10 TEAMS; 2 SCALES)

**\*Games begin at 230 in the stadium; please review the "rules" of play for the Jamboree as several are slightly different than regular season play.**

**Reminder to coaches: please come with a "chain gang" for the day; if your team is a home team they will be running chains. If you volunteered (Shippensburg, Fayetteville, Chambersburg) to bring along your set of chains please remember them, if you can no longer bring them please let me know ASAP.**
