**PARENTS, PLEASE** make sure you collect all the food wrappers and drink containers your children leave on the ground. Trash left on the Legion Grounds after our practices is becoming a problem and the Legion is beginning to charge us for their time to pick-up your trash. Thank You for your help in this matter.

## GAME HIGHLIGHTS

### Falcons SMURFS

Another week has come and gone and the smurf Falcons have won, continuing to remain an undefeated team winning the game by three touchdowns. The latest victory has been against the Big Spring Bull dogs proving that the old saying is true the bark is worse than the bite after all. Quick feet Mason W. Bowers impressed us yet again this week with four great runs one for 42 yards, one for 37 yards, another for 35 yards and lastly the passing play thrown by QB Taylor Conrad for a twenty yard reception and touchdown run. Austin Wyand also had some great runs helping his team advance, the little man never afraid to run on the other team he may be small but he packs a punch. Conner Houpt had two runs and his brother Michael Houpt also had a run for five yard advancement. Owen Flook had two really good runs proving to be a real asset to his team, each week he improves his running game and isn't afraid to carry the ball and fight for just one more yard each time. Our very own Tate Eberly also had a run proving that he is a force to be reckoned with, followed up by his teammate Garrett Harshman showing that it isn't the size that matters but how well your linemen block for you.

Speaking of our linemen they are like hitting a brick wall. Each time the other team tries to push through they are met by a gang of Falcons ready to stop them dead in their tracks. Logan Marsik, Daniel Nagle, Dylan Pack and Gage Smith are a great combination together and when they are out on the defense they are not afraid to step on the little people to get the ball back in the hands of the Falcons. These boys together are quite impressive and hold together like steel tank rolling over anything in their path. Let us hope each week continues to be as exciting as the last. So far the smurf Falcons have not disappointed their fans and the heart they put into playing the game shows their love for the game, and if at the end of the season you cannot say you played your best and gave it your all then what was the point? Play on guys and keep up the good work.
